

16. (New) The device according to claim 15, including said catch hook having an undercut for adjusting the actuation force.

17. (New) The device according to claim 15, including said basket support plate provided at its ends with guide elements which at least partially enclose said vertical basket struts of said dishware basket.

REMARKS

The new claims are added to conform to US practice and to eliminate multiple dependent claims. The amendment does not add any new matter, but is merely formal in nature to place the application into better form for examination. If the Examiner has any questions regarding this amendment, the Examiner is requested to contact the undersigned.

Respectfully submitted
